Prof. Dr. V.D.PATIL
Registrar

Encl: As above.

- CC to:
1. The PA to Hon. Chancellor, KLE University, Belagavi.
 2. The Special Officer to Hon. Vice-Chancellor, KLE University, Belagavi
 3. The Finance Officer, KLE University, Belagavi.

7. Consideration of inclusion of topics in Pharmacognosy and Phytochemistry in Pharm D course:

The Academic Council noted that as per the guidelines of the Pharmacy Council of India and as a part of course curriculum of Pharm D course, it has been made mandatory to include the following in the subjects of Pharmacognosy and Phytochemistry:

- a) Carbohydrate derived and biological source
- b) Chemical constituents
- c) Tests, uses and adulterants of following drugs:
 - Honey, Acacia, Agar
 - Sterculia, Tragacanth
 - Cellulose and its products
 - Pectin, Guar gum
 - Sodium Alginate, Linseed
 - Starch

The aforesaid course is being offered in three Pharmacy constituent colleges of the University and in order to maintain uniformity in the aforesaid three constituent pharmacy colleges, the Academic Council resolved to include the aforesaid topics / drugs in the course curriculum of Pharm D which will be applicable to the students admitted from the academic year 2017-18.

8. Consideration of incorporation of case-based learning in practical classes for BDS course:

The Academic Council considered and approved incorporation of case-based learning with case scenarios in practical classes for the students admitted for BDS course from the academic year 2017-18 mainly to enhance the practical skills. The same is to be included in the course curriculum accordingly.

9. Consideration of implementation of the innovative teaching-learning method for I BDS students as 'Early Clinical Exposure':

The Academic Council considered and approved implementation of innovative teaching-learning method for I BDS students as 'Early Clinical Exposure' in the form of visit to PHC and Dental Satellite Centres, Visit to villages for survey and observation of oral health mainly to enhance the clinical skills of these students. The same is to be included in the course curriculum accordingly.

10. Consideration of implementation of 'Carry-Over' system for B.Sc. / PB B.Sc. Nursing courses:

The Academic Council considered and approved implementation of 'Carry-Over' system for the students of B.Sc. / PB B.Sc. Nursing courses, keeping in view the norms of the Indian Nursing Council, as detailed below:

- a) A candidate shall be promoted to the next year if he / she failed in one or more subjects.
- b) A candidate shall pass all the papers of the previous examination before appearing for the fourth year examinations.
