Vidyanagar, Hubballi**

7.1.8 Describe the institutional efforts/initiatives in providing an inclusive environment i.e., tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic and other diversities.

Being in a country with diversity and rich culture our college is a mini India in itself, we have students studying from across the country at the campus in all the different courses. Students from as far as North-eastern states of India like Assam, West Bengal to down south Tamilnadu, Kerala and far north as Uttar Pradesh are a part of our student fraternity. We take pride in celebrating festivities like Onam, Kite festival with them and it's a pleasure to introduce and include them in our local festivals. We have had students who even learnt to sing kannada songs melodiously. By encouraging this give and take of culture and heritage we have a harmonious tolerant culture in the institute giving the students a safe secure and at the same time a culturally rich atmosphere. With the celebration of various days in the cultural week they get an opportunity to dress, talk and flaunt their rich culture in front of their local friends and teachers as well. Our students from Kerala have been benevolent to introduce their cuisine to us as well by organizing a SAPPAD for all their friends and staff on the occasion of Onam. By organizing rangoli mehndi and cooking competitions we're ensuring holistic learning of the students along with building their careers.
