

**KLE College of Pharmacy
Vidyanagar, Hubballi**

7.1.9 Sensitization of students and employees of the institution to the constitutional obligations: values, rights, duties and responsibilities of citizens

National festivals like Independence Day, Republic Day, National Unity Day, Kannada Rajyotsava are celebrated with pomp and fervor. While educating them to be a capable pharmacist we are also sowing seeds to patriotism and respect towards our nation, national leaders and the supreme sacrifices made by them for giving us an Independent Republic India. The performances of students on these national festivals demonstrate how loyal and dedicated they are towards their country and their countrymen.

For students coming from other states local language kannada is taught so that their stay becomes comfortable and feasible. The spoken kannada classes are scheduled in the time table for their benefit. Along with our library has language translating dictionaries like Telugu-Kannada, Malyalam-Kannada for their use and benefit.

As Pharmacists and paramedics the students are also making students aware of their social responsibilities. We organize NSS camps every year in nearby villages like Rayanal where the students and staff along with the local governing bodies educate the villagers on different health related issues they are physically examined by senior students checking their vital statistics and further suggestions and recommendations are done based on the findings.

AWARENESS AMONGST STUDENTS TOWARDS SOCIETAL RESPONSIBILITIES THROUGH NSS CAMPS
