Good output

Good

Every thing is good

Biochemistry"

Want to be a part of healthcare team."

Nothing!!!"

Im able to learn more practical skills"

Practical sessions"

Its the best course"

amazing lectures and discussions! I learned a lot and benefited from this course."

Practical knowledge"

To be a part of health care system."

Time spent in college with friends"

Doctor of Pharmacy..(PHARM D)

The best part of the course to me is clinical rounds where we get to learn how to apply our theoretical knowledge into clinical practice

"The best part of the course to me is , regular clinical rounds wherein we get to learn how to apply our theoretical knowledge into practice.

the best part of this course was good experiance in labs and some class teaching"

Good course

Hospital visits and projects."

Biochemistry"

Clinical practice"

getting any knowledge which i didnt know till now

Acquiring knowledge

Some lectures are given with reality examples which are naturally seen and common examples which are easy to remember and helps to remember till exam"

Handling of various equipments"

I have learned a lot"

Pharmacoviligence week

1) all facilities are there, and conducting all cultural activities, and other activities feeling like good, we are feeling happy and enjoying, and giving all opportunity in all activities. some teachers teaching is so good, and we are learning more."

All the subjects are understandable and interesting to learn..

Biochemistry topic

experienced staff

B pharm"

Practicals.....!

4th sem pharmacology subject and lab"

Team work

For me Bachelor of Pharmacy is best Course And It is The Interesting course for me."

1 interaction between the teacher and student other than that not only book studies there are other way of learning more about this course they arrange different types like pharmacovigilance which was conducted which was fun way learning."

Pharmacovigilance week"

Annual day"

Pharmacovigilance week

More practical knowledge"

Best in both curricular and cocurricular activities!"

The knowledge and skills that we developed during these years."

Yes"

Have a good campus for gaining good knowledge

Have a good campus"

Bpharm"

Practicals

Practical part"

Exams and doing practical work"

All good"

Self Learning"

I enjoy my hospital rounds. I thank all my faculty staff members for providing us such a great opportunity to learn."

Practical works

Lab"

Case presentation"

Understand the Good clinical knowledge and high stress on it motivate and more hardwork myself put high aim on it success . High years. Put on this course . High costly course in India"  
Enjoyed with our garden area"

"We enjoyed with good campus with friends and good teacher.

No"

Practicals"

Practical and exams"

"At least we have a syllabus copy, on which we can rely, rather than these college sources :)

Only Examination is good and strict

No proper equipments in laboratory

Field visit"

It very nice"

Lectures are kind & good in the way of teaching."

That everyday we learn something new."

HAP"

Pharmaceutics"

HAP"

Good scope in future"

Nthng"

Good scope"

"Good lectures and being friendly with lecture

"Interconnected subjects

Events are conducting well

I found more interesting the depth of subjects are

Teaching"

labs and nss camp"

practicals and events conducted in college"

### **23: Suggestions (if any):**

Nothing"

No"

The sessional exams must not be kept during occasion of festival many students face some problem through that specially hostelites"

It would be alot better if regular classes and practicals were conducted at right time ."

"Improve your teaching, Stop giving us assignments ,journals and observations to complete, conduct some interesting fun weeks, and try to work sincerely!!!!

"More appreciation on practical knowledge

I have no suggestions"

"More hands on training

"Hospital exposure is very important, frequent hospital exposure helps to gain more knowledge

"No

NO"

please provide good compus selection in our college"

One of the good opportunity."

Good opportunity"

Need improvement in faculties"

No suggestions"

One of the good opportunity"

One of the good opportunity"

No"

No"

Nothing to say"

Nothing to say"

Good opportunity"

No"

Nothing to improve

nothing to improve"

Nothing to improve"

"SEMINAR SHOULD NOT BE GIVEN WITHOUT TEACHING THAT PARTICULAR CHAPTER.

IF IN CASE THE CLASS IS POSTPONED OR NOT CONDUCTED, STUDENTS SHOULD BE GIVEN A PLACE WHERE THEY CAN WRITE OR READ WHEN LIBRARY IS FULL." Nil."

Please provide good campus

There is no reading room

No sets or any place to sit"

Need campus selection"

1) teachers are giving the seminar without doing the lessons, because who will get less marks in class test for them they are giving the seminar which are not done the lessons.

2) we want proper notes to read"

improvement of campus

nothing institution is good in providing all type of knowledge"

More library facilities

No Suggestions For me"

"completing the portion till the last the date examination may feel difficult to lot of peoples

No suggestions"

"No suggestion

"No suggestions

More appreciation on hands on training"

Nil"

Lack of laboratory equipments"

Have an good campus

Very good"

More usage of smart boards

"Nothing

Improve clg lab facilities"

Nil"

We need more rooms for conducting class"

We need more classes"

We need more rooms for classes"

No"

During internship stipened not get. work on in surgery and emergency ward college cashier is behaving rude manner with student and parents also ."

No"

No"

No"

No"

"Its a waste of time to give my feedback.

There is required of good working equipments in the pharmacology laboratory

Good and increased number of equipments in lab"

Very good teaching

None"

"Need class rooms

Need more class rooms"

"One of the good opportunity

Good scope"

Feedback should be incorporated"

Good keep going"

"Exposure should be more

Good"

update lab equipments regularly please"
