Action Taken on Employers' Feedback – 2026

Sl. No.	Feedback / Suggestions from Employers	Action Taken by Institution / Departments	Status
1	Employers suggested improving industry-oriented skill sets among students.	Organized industry-integrated training programs and workshops to enhance practical exposure and align student skills with employer needs.	Implemented
2	Recommendation for advanced technical training in clinical research, pharmacovigilance, and regulatory affairs.	Introduced specialized certificate courses and collaborations with leading CROs and pharma companies for hands-on learning.	Ongoing
3	Suggested strengthening students' communication and soft skills .	Conducted soft skill enhancement programs, mock interviews, and presentation workshops in collaboration with industry experts.	Implemented
4	Requested more industry-academia collaborations for better placement opportunities.	MoUs signed with reputed pharma companies; campus placement drives organized with leading recruiters.	Ongoing
5	Employers highlighted the need for updated curriculum to match evolving industry trends.	Recommended curriculum changes to the Academic Council; incorporated modules on digital health, AI in pharma, and regulatory updates .	Implemented
6	Asked for real-world project exposure during internships.	Strengthened internship programs with industry-based projects and extended tie-ups with pharma manufacturing units and hospitals.	Implemented
